

Smartsan 5000 Series Safety Light Curtain – Bulb and LED Versions

Option 1 - 14V and 28V Bulb with lamp assembly

**Part Number 105 – 006
14V Bulb**

**Part Number 105 – 004
28V Bulb**

**Part Number 105 - 009
Lamp Assembly**

Option 2 - 28V Bulb with lamp assembly

Part Number 105 - 025

Lamp Assembly

Option 3 - LED Type – Current Build

Option 3 is a direct replacement for Option 2, we can supply replacement bulbs but the lamp assembly is no longer available. The whole assembly will need to be replaced with 105-019 if the damage requires more than a replacement bulb.

Part Number 105 - 019
